

**A Circuit Workshop**  
*led by the*  
**Methodist Southern and Islands Learning Network**

A photograph showing several stacks of coins of increasing height, with small green plants growing out of the top of each stack. To the right is a glass jar filled with coins, with a larger green plant growing out of it. The background is a soft-focus green and yellow bokeh.

***SUSTAINABLE  
FUNDRAISING FOR  
YOUR CHURCH***

**A morning to explore how fundraising fits with faith - how to make the most of traditional fundraising methods – building a fundraising team – community fundraising – working with professional fundraisers – who to apply to for funds - top tips for bid writing**

**Saturday 13 May 2023**

10 am to 1 pm

**St Lukes Methodist Church**

**City Way, Rochester ME1 2BQ**

(church is set back from the road, on the left, just before the George Pub,  
where the road turns slightly right)
