and 'Loving' to all He has made'
PSALM 145 - v13

KEEPING IN TOUCH

- Daphne. Although confined to bed 24/7, she is always cheerful. She sends her love to all our friends at Church.
- Ann Is also mostly confined, and can only 'get up' with the help of her Carers.
- Marie. Always ready for 'a natter'. She is OK.
- Brian. Is still in Minster Hospital. Fractured his foot! We think of Kathy at this time.
- Lynda. She doesn't get out much. She has a "hoist" and with Alan is able to get around the bungalow. She is due for a 'brain scan' during this month.

GOD BLESS
Heather N.

CHURCH NOTICES

AUGUST 2024

Happiness Happens Month is celebrated annually in August. It is dedicated to celebrating things that make you happy. It's a known fact that happiness is contagious and sharing your happiness can bring a smile to someone's face. The month reminds us that happiness can be found in even little things that we might not notice and that spreading the same joy amongst others can help make the world a better place.

August is "Happiness Happens Month"

Your challenge is to

KEEP POSITIVE

Mission Statement

From Sheila "Smiling is Infectious" by Spike Milligan

Smiling is infectious, you catch it like the flu,
When someone smiled at me today, I started smiling too.
I passed around the corner and someone saw my grin.
When he smiled I realized I'd passed it on to him.
I thought about that smile, then I realized its worth.
A single smile, just like mine could travel round the earth.
So if you feel a smile begin, don't leave it undetected.
Let's start an epidemic quick and get the world infected.
